Full job description

Your new company:

Continued growth in our client's Fleet management business now requires the need for experienced Trailer Mechanic. You will be required to undertake the service and maintenance requirements of all on-site customer trucks and trailers.

Your new role:

- Repairs, service and inspections to brakes, diffs, bearings and trailers etc. on a wide range of trucks
- Diagnostic analysis using the latest diagnostic software and computer equipment
- Produce clear and concise reports detailing all work carried out on repair orders including supplies used and recommendations in a prioritised order
- Have a good understanding in auto-electrical works (desirable)
- Welding Skills would be an advantage

What you'll need to succeed:

- Minimum certificate 3 mechanical trade certificate/qualification
- Experience in the Heavy Vehicle industry
- Experience undertaking road worthies on Heavy Vehicles
- Current HC/HR drivers licence an advantage
- Pride in your work with an ability to work to targets and high standards
- High levels of motivation, reliable with a can-do, positive attitude
- Effective communication skills with a commitment to workplace safety
- Own tools

What you'll get in return:

- Competitive hourly rate plus overtime

- Work with industry leading brand
- Opportunity to build an enthusiastic and dedicated team environment within a growing business
- Corporate discounts on health and insurance programs

What you need to do now:
