Full job description

Your new company

Hays are recruiting experts within the Building Maintenance and Service sector and based on new site requirements, we are looking for experienced FIFO Building Maintenance Plumbers to be part of the Hays casual/relief pool.

Your new role

Your new role is to assist the preventative maintenance on mining camps and non-processing infrastructure on site suitable candidates will have experience diagnosing, repairing and installation of commercial, domestic and industrial systems. Waste water treatment plant and reverse osmosis experience will be highly regarded. You must be able to demonstrate a solid work history within the maintenance space in the fly-in-fly-out industry.

What you'll need to succeed

- WA Plumbing tradesperson or contractors licence
- G Class Gas Fitting ticket - Including restricted
- Minimum C Class driver's licence
- National Police Clearance

What you'll get in return

- Generous Hourly Rate + Super
- Work for an industry leader
- Great opportunity to gain valuable FIFO experience
- Flights, Accommodation and meals paid for on site

What you need to do now
