Full job description

Your new company

Hays has partnered with a leading industrial construction company, that has multiple projects up coming across Ballarat. Your new company has over 1000 projects already completed with a reputation they strive on, greatness. They are now looking for another experienced site manager to lead their growing reputation in the Ballarat region.

Your new role

As an experienced site manager your responsibilities include, but not limited too:

- Control and monitoring of all construction activities
- Effectively implement and manage OH+S procedures on-site
- Coordinating Trades/Sub Contractors on site
- Work closely with the Client, Architect, Designers and Engineers
- Procure building materials, plant and equipment hire and effectively manage site resources
- Elaboration of time and cost plans
- Monitoring of the compliance with regulations related to construction law and labour law

What you'll need to succeed

- Past experience in a Site Manager role, ideally 2+ years
- Must have previous experience in the delivery of similar projects
