great people!

From our centre directors to centre teams, we work together to make a real difference for children in those crucial early years.

Safety, health, and wellbeing are more than just words to us, they are a personal commitment and a promise we make to our children, our families and each other every day.

We're Goodstart – a not-for-profit with a vision for Australia's children to have the best possible start in life.

Our Centre

Goodstart Early Learning Child Care Centre Semaphore Park is a small three room, 70 place centre. We are tucked into a lovely little part of our community, close to local schools, shops and residential areas, as well as main roads and transport routes.

Outside, our playground areas are a balance of natural and manmade elements and play surfaces. We have carefully designed and planned spaces to encourage a stronger understanding of the environment and sustainability – while giving children the scope to explore, play and let their imaginations roam. Our large trees offer plenty of natural shade all year round.

We provide high quality education and care for children aged 6 weeks to 6 years. Using the Early Years Learning Framework to guide our education program and scaffold children's learning, our educators are passionate and committed to providing nurturing and stimulating early learning environment. With a strong commitment and focus to create a warm and welcoming community focused centre we look forward to building and maintaining meaningful and true relationships with all our families and children.

Your Impact

As an Educator at Goodstart Semaphore Park, you will be a team player, collaborating with the Senior Educators and Educational Leader within your centre to observe, inform and continuously improve our educational programs on offer to children.
